

# ARHS BOARDING PROGRAM NEWSLETTER NOVEMBER

## Family & Friends of the Boarding Program,

November flew by and we are now entering our last few weeks of the semester! This month students experienced their first American presidential election, two seniors attended the Close Up trip to Washington DC, students dove into a skydiving simulator, played a game of bubble soccer, enjoyed Korean BBQ, volunteered with the ARC, went mini golfing at Urban Putt, watched the sun set at Twin Peaks and rooted on the Warriors at the Oracle Arena! Our seniors have been working hard preparing college applications, students enjoyed their much deserved Thanksgiving Break with their families or guardians and we are all pushing through to the end of the semester! As always, thank you for your support and dedication to the students in the boarding program!

All the best, The ARHS Boarding Program Team
