

ARHS BOARDING PROGRAM NEWSLETTER OCTOBER

Family & Friends of the Boarding Program,

October was a fun month for the boarding program as we got into the fall spirit! We visited Great America's Halloween Haunt, carved pumpkins, got lost in a corn maze and students created a small haunted house in the dorm as well! In addition, students have been working hard to complete their community service hours, they visited UC Berkeley, went to Yerba Buena for iceskating and bowling, completed the Foam & Glow 5K and showed support during the SF Archdiocese Rosary Rally. Thank you for your continued love and support for the boarding program!

All the best, The ARHS Boarding Program Team
