CORE SERVICE TEAM NEWS

Show your Marianist spirit by donating to our Billy Choi (class of 2005) -AIDS Emergency Fund Drive, which will be happening August 27-September 7. We have named our drive in honor of Riordan alumni Billy Choi, class of 2005, who was born with HIV and died shortly after graduating from Archbishop Riordan High School. He was a kind and gentle soul, who loved the Drama program. In addition to saving the lives of those who are diagnosed with HIV, all donations will also help your house in the battle to win the first semester. Located in the front office there are four bins, one for each house. A student, teacher, or parent may put money in each bin; but keep in mind that dollars are positive and gain points for your house while coins are worth negative points and may be used to sabotage the other houses.

Point values are as follows:

- pennies=-1 point
- quarters=-25 points
- dollar=+100 points
- five dollars=+500 points
- etc . . .

On mentor group days, which occur on Wednesday, giving bills (and only bills) to those collecting during the mentor group period are worth double points. Again, this does not apply to coins. Thank you for your support!
